JOINT APPLICATION FOR APPROVAL OF TERRITORIAL AGREEMENT

COME NOW, Co-Mo Electric Cooperative (“Co-Mo”) and Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri”), hereinafter referred to collectively as “Applicants,” by and through their respective counsel, pursuant to Section 394.312 RSMo., 20 CSR 4240-2.060, and 20 CSR 4240-3.130, and for their Joint Application to the Missouri Public Service Commission (“Commission”) for an order approving Applicants’ Territorial Agreement (“Agreement”), respectfully state as follows:

1. **The Applicants.** Co-Mo is a rural electric cooperative organized and existing under the laws of Missouri with its principal office at 29868 Hwy 5, Tipton, MO 65081. It is a Chapter 394 rural electric cooperative corporation engaged in the distribution of electric energy and service to its members within certain Missouri counties. Cooperative has no pending action or final judgments or decisions against it from any state or federal agency or court that involve its customer service or rates within the three years immediately preceding the filing of this Application. Cooperative has no overdue annual report or assessment fees. A copy of a Certificate of Good Standing from the Office of the Missouri Secretary of State for Cooperative was filed in File No. EO-2022-0190 and is incorporated herein by reference in accordance with 20 CSR 4240-2.060(1)(G).

2. Ameren Missouri is a Missouri corporation with its principal office and place of business at 1901 Chouteau Ave., St. Louis, Missouri 63103. Ameren Missouri is primarily engaged in the business of providing electric utility service in Missouri to the public in its certificated areas. Ameren Missouri has no pending action or final judgments or decisions against it from any state or federal agency or court that involve its customer service or rates within the three years immediately preceding the filing of this Application. Ameren Missouri has no overdue annual report or assessment fees. Ameren Missouri has previously submitted to the Commission a certified copy of its Articles of Incorporation (File No. EA-87-105), its Fictitious Name Registration with the Missouri Secretary of State (File No. EA-2019-0181), and a Certificate of Good Standing from the Missouri Secretary of State (File No. EM-2022-0292), all of which are incorporated herein by reference in accordance with 20 CSR 4240-2.060(1)(G).

4. **The Territorial Agreement (20 CSR 4240-3.130-(1)(A)).** Subject to the terms and conditions of the Agreement between Co-Mo and Ameren, Applicants have specifically designated the boundaries of exclusive electric service areas within portions of Cooper, Cole, and Moniteau Counties. Applicants have attached a copy of the Territorial Agreement to this Motion as **Appendix A**, which is identical to the Territorial Agreement submitted as Appendix 1 to the Applicant's Stipulation and Agreement submitted in File No. EO-2022-0190, and which is incorporated by reference and made a part hereof for all purposes. The Territorial Agreement

contains maps delineating the boundaries of the rural areas in the above-captioned counties to become the exclusive service territories of Ameren Missouri or Co-Mo and, as provided for in said Agreement, Applicants will submit a schedule of Townships, Sections, and Ranges and a legal description of such areas in this docket once the legal description is prepared, which Applicants estimate will be in August, 2022.¹

5. **Statutory Authority.** Co-Mo has statutory authority to serve the areas it is proposing to serve pursuant to Section 394.080 RSMo. Ameren Missouri has authority to serve the areas it is proposing to serve pursuant to prior orders of the Commission granting it area certificates covering each of the Sections, Townships, and Ranges allocated to it by the Territorial Agreement, as evidenced by the following tariff sheets: Union Electric Company Mo. P.S.C. Schedule No. 6, Original Sheet No. 13 (Cole County); Original Sheet Nos. 14 – 15 (Cooper County), and Original Sheet No. 29 (Moniteau County).

6. **Other Electric Suppliers (20 CSR 4240-3.130-(1)(B)).** To Applicants' knowledge and belief, there are no other electric suppliers serving in the areas covered by this Agreement.

7. **Changes in Operations (20 CSR 4240-3.130-(1)(C)).** There will be no changes in Ameren Missouri's operations or certification, so no illustrative tariffs are included.

8. **Public Interest (20 CSR 4240-3.130-(1)(D)).** The Agreement is not detrimental to the public interest because it resolves the dispute in File No. EO-2022-0190 by establishing certain exclusive service territories for new structures for the two electric suppliers within the areas covered by the Agreement. The Agreement also minimizes a duplication of utility facilities in such areas.

¹ Applicants request that the Commission accept this Joint Application as the status report ordered to be filed by the Presiding Officer during the procedural conference on June 21, 2022.

9. **Transfers (20 CSR 4240-3.130-(1)(E)).** The Agreement does not require transfer of any facilities or customers between the Applicants, so no list of structures and persons whose utility service would be changed by the Agreement is included.

11. **Service Responsibilities.** Each Movant will continue to have service responsibilities beyond the terms of the Agreement unaffected thereby.

12. **Filing Fee.** The Commission's fee required by 20 CSR 4240-3.120 is submitted herewith.

WHEREFORE, Applicants respectfully request that the Public Service Commission of Missouri issue its order:

- (a) Finding the designated electric service areas to be not detrimental to the public interest and approving the Agreement; and
- (b) Authorizing Applicants to perform in accordance with the terms and conditions of the Agreement.

Respectfully submitted,

ARTICLE 2.

EXCLUSIVE RIGHT TO SERVE

- 2.1 Pursuant to Section 394.312, this Agreement designates the boundaries of a portion of electric service area of Company and Cooperative in portions of Cooper, Cole, and Moniteau Counties and only for purposes of this Agreement. The Company

agrees not to serve New Structures in the areas described in Article 3, hereinafter referred to as the “Exclusive Service Areas of the Cooperative.” Likewise, Cooperative agrees not to serve New Structures in the areas described in Article 4, hereinafter referred to as the “Exclusive Service Areas of the Company.” The parties recognize and agree that this Agreement shall not apply to any service area not designated as an exclusive service area in Article 3 or 4.

- 2.2 Except as provided expressly herein, after the Effective Date, as between the parties, each party shall have the exclusive right to furnish electric service to all New Structures located within its respective exclusive service area described in Articles 3 and 4 of this Agreement, regardless of the size of the load or the characteristics of the customers' requirements. Except as provided expressly herein, neither party may furnish, make available, render, or extend electric service to New Structures or for use within the exclusive service area of the other party, either directly or indirectly, including through a parent, affiliate, or subsidiary of Company or Cooperative, whether said parent, affiliate, or subsidiary be a corporation, limited liability company, partnership, or cooperative corporation.
- 2.3 Both parties retain the right to furnish electric service to all Existing Structures that they are serving by either permanent or temporary electric service on the Effective Date of this Agreement, regardless of their location.
- 2.4 During the time period between the execution of this Agreement and the Effective Date of this Agreement, neither party shall construct primary or secondary electric facilities within the territory assigned exclusively to the other pursuant to this Agreement, (1) unless ordered to do so by the Commission or a court of competent jurisdiction, (2) unless it is a necessary part of the provision of service to its customers in other areas; provided, however, that any such construction is within a previously established easement obtained for the purpose of providing service in other areas, or (3) to fulfill the request of Public Water Service District No. 1 for service by Company at 16568 Highway 87, Boonville, Missouri.

- 2.5 The parties recognize and agree that this Agreement places limits on the parties' abilities to distribute retail electric energy. In the event that retail wheeling of unbundled electric energy becomes available in the territory affected by this Agreement, (e.g., retail customers are permitted to choose their suppliers of electric energy), nothing in this Agreement shall be construed to limit in any way the ability of either party to furnish electric energy to Existing Structures located in the exclusive service area of the other party; provided, however, that the electric energy shall be delivered to said Structures by means of the electric distribution facilities of the party in whose exclusive service area the Structures are located. Further, in the event changes in this Agreement are required due to retail wheeling of unbundled electric energy becoming available in the territory affected by this Agreement, both parties agree to negotiate in good faith changes to this Agreement with the intention of maintaining the benefits of their previous bargain to the extent practicable. The parties further agree to cooperate in obtaining the Commission's approval of any such modified agreement, if necessary, by making a joint application requesting such Commission approval and any other required filings related thereto.
- 2.6 In the event that a New Structure is located on the territorial boundary between the Cooperative's and the Company's service territory as described in this Agreement and supporting exhibits, the New Structure shall be served by the party whose territory includes the point at which the electrical service enters the New Structure.
- 2.7 A party may provide electric service to a New Outbuilding located in the exclusive service area of the other party, so long as (i) the New Outbuilding is located within the contiguous tract of land on which that party's Customer's Structure is located, and the New Outbuilding shall not be used for commercial or industrial purposes or (ii) the other party consents in writing. This section shall not apply to a Customer who receives electric service from both Company and Cooperative on the same tract of land, and requests additional electric service. The New Outbuildings for these customers shall be served by the designated exclusive

service provider, unless the Customer, Company, and Cooperative agree otherwise and follow the procedures set out in Article 7.

- 2.8 When the parties cannot agree on the boundaries of the service area as described within this Agreement, they may, by mutual consent of all parties involved, petition the Commission to determine the boundaries and such determination shall be binding on all parties.
- 2.9 This Agreement does not purport to affect the rights of any Electric Power Provider.

ARTICLE 3.

This agreement concerns only the properties identified herein by the Cooperative and the Company. For the purposes of this Agreement, the Exclusive Service Area of Cooperative, as between the parties under this Agreement, shall be the area in Cooper County, Missouri depicted on Exhibit A attached hereto and incorporated herein. ARTICLE 6.

LOCATION OF A STRUCTURE

The location of a Structure for purposes of this Agreement shall be the geographical location at which electric energy is used, regardless of the metering point or point of delivery.

ARTICLE 7.

EXCEPTION PROCEDURE

7.1 The parties may from time to time agree to allow a New Structure or Existing Structure to receive service from one party even though the Structure is located in the exclusive service territory of another party. Each Addendum shall contain a statement in bold uppercase typeface indicating that the Staff or the Office of the Public Counsel have forty-five (45) days to oppose the Addendum or else the Addendum shall be deemed approved by the aforesaid parties.

 - B. approval of this Territorial Agreement by the Commission, which shall, at a minimum, consist of an order (i) approving this Agreement and (ii) a finding that this Agreement does not impair Company's certificates of convenience and necessity, except as specifically limited by this Agreement.

- 8.3 Company and Cooperative agree to undertake all actions reasonably necessary to implement this Agreement. Company and Cooperative will cooperate in presenting a Joint Application showing this Agreement, in total, not to be detrimental to the public interest.
