Dear Ms. Dale:

I am the City Administrator for the City of Jackson and hereby certify that the Electric Distribution Department has received and reviewed the Verified Statements that have been submitted to the Public Service Commission by Mr. William B. Bobnar of Ameren UE on the above referenced cases. In the verified statement by Ameren UE to the Public Service Commission, a request is made that the City Electric Distribution Department return transformers to Ameren and that the City will retain ownership of other existing facilities servicing the residences.

The City also recognizes that each of these cases must be completed and are contingent upon each other in order to remove the Ameren UE service line in an expeditious manner so as to not hinder the schedule for construction of the City's East Main Street Extension Project.

In conclusion, the City acknowledges the Verified Statement provided by Ameren UE and agrees to the terms that reference the City.

Thanks for your time and cooperation in this matter. Please feel welcome to contact me should you have any questions regarding this matter.
