In the Matter of the Application of Harold and     )  
Debbie Meyer for Change of Electric Supplier.     ) **File No. EO-2010-0051**

## **ORDER SETTING PREHEARING CONFERENCE**

Issue Date: October 29, 2009

Effective Date: October 29, 2009

On August 4, 2009, Harold and Debbie Meyer filed an application to change their electric supplier from the City of Marceline, Missouri, to Macon Electric Cooperative. The request is for electricity supplied to the Applicants' residence at 902 South Fairview Drive, Marceline, Missouri. The Applicants state that the Cooperative is willing to provide service but that the City of Marceline has refused to allow the change of supplier. The City filed its response on September 11, 2009, and the Staff of the Missouri Public Service Commission filed a recommendation on September 25, 2009.

In the City's response, the City states that it has been providing service to the structure located at 920 South Fairview Dr, Marceline, Missouri since before 1973. In addition, the City denies that the request for a change of supplier is for a reason other than a rate differential or that such a change would be in the public interest. The City requests that the Commission deny the application.

The Commission's Staff also recommended that the application be denied.

These facts are now at issue and the Commission shall set this matter for a prehearing conference so that the parties may discuss the issues and propose a procedural schedule. Any party wishing to appear at the prehearing conference by telephone may do so by making arrangements with the Regulatory Law Judge as set out below.
