## ORDER SHORTENING TIME TO RESPOND TO APPLICATIONS TO INTERVENE

Issue Date: November 15, 2022

Effective Date: November 15, 2022

On November 10, 2022,<sup>1</sup> Evergy Missouri Metro (EMM) filed an application asking the Commission to approve a Special High Load Factor Market rate. The Commission provided notice of EMM's application and set a deadline of November 30 for intervention requests. The Commission also noted a technical conference occurring on November 22.

On November 14, Google LLC applied to intervene. Allowing ten days for responses to Google's intervention request would delay the Commission's decision on the intervention until after the technical conference of November 22. Therefore, the Commission will order expedited responses to the intervention application of Google LLC.

### THE COMMISSION ORDERS THAT:

1. Any party wishing to respond to the application to intervene of Google LLC, shall do so no or before November 18, 2022.
2. This order shall be effective when issued.
