In the Matter of the Application of Osage Valley )  
Electric Cooperative for Approval of a Change )  
in Electric Suppliers for Austin Powder Central )  
States, L.L.C. )

**File No. EO-2012-0119**

## ORDER DIRECTING FILING

Issue Date: October 18, 2011

Effective Date: October 18, 2011

On October 18, 2011, the Osage Valley Electric Cooperative ("Osage") filed an application seeking Commission approval for a change in electric supplier. The requested change affects a single customer, Austin Powder Central States, L.L.C. ("Austin") located in Montrose, Missouri. Austin currently receives its electric service from KCP&L Greater Missouri Operations Company ("GMO").

Osage cites several reasons for the change related to safety and compliance with federal regulations and states the change is in the public interest because it allows Austin to continue to receive electric service in the most economically efficient manner. Osage further represents that it, Austin and GMO are all in agreement for the requested change, and has included signed consents from GMO and Austin.

## THE COMMISSION ORDERS THAT:

1. That Staff of the Missouri Public Service Commission shall file a recommendation on the application no later than November 17, 2011.

2. That this order shall become effective on October 18, 2011.
