File No. EO-2012-0343

NOTICE REGARDING REQUESTS FOR CLARIFICATION

Issue Date: May 4, 2012

Effective Date: May 4, 2012

On April 13, 2012, Nickie Hertzog filed an application with the Missouri Public Service Commission requesting that her electric supplier be changed from Osage Valley Electric Cooperative ("Osage Valley") to Kansas City Power & Light ("KCP&L").¹ On April 23, Osage Valley filed Requests for Clarifications of Application from Ms. Hertzog.

Osage Valley may very well be entitled to all of the clarifications it seeks in the application. However, these requests appear to be the type of clarifications Osage Valley can seek from Ms. Hertzog through discovery. Should Osage Valley believe that Ms. Hertzog has not properly responded to its discovery requests, or should it believe that it cannot timely respond to her application, then Osage Valley may seek appropriate relief from the Commission.

¹ Because the Commission is concerned that the actual current supplier is KCP&L Greater Missouri Operations Company ("GMO"), and not KCP&L, the Commission will direct notice to both companies.
