RE: Case No. WA-80-237  
Dawn Valley Subdivision Water System  
Application for Amendment of Certificate

Gentlemen:

Attached hereto please find the correct legal description that the applicants would wish substituted for that set forth in Attachment A to their application for amendment of certificate. This description combines the two descriptions reflected on Attachment A but, in fact, covers only the same real estate which was originally the subject of the application for amendment.

Yours very truly,

MITTENDORF & MITTENDORF
