ORDER ADDING PARTIES AND DIRECTING FILINGS

Issue Date: January 8, 2021

Effective Date: January 8, 2021

On December 23, 2020, Checkmate Design, LLC (Checkmate Design), filed an application requesting that it be granted a variance from the requirement to individually meter a residential building located at 4440 Manchester Ave. in St. Louis, Missouri. The Commission issued a notice indicating it would take no further action until the application was signed by a Missouri-licensed attorney under the requirements of Commission regulations and Missouri law.

On January 6, 2021, the application was refiled by a Missouri-licensed attorney and stated that the applicant was Grove Lofts STL, LLC (Grove Lofts) the developer and operator of the multi-family property. The entry of appearance, made by Missouri-licensed attorney Laura K. Rebbe, indicated that both Checkmate Design and Grove Lofts were her clients. The Commission will add Grove Lofts as a party to this matter and will direct the applicant to clarify the role of Checkmate Design in this request for variance.

The electric service provider at the subject property is Union Electric Company, d/b/a Ameren Missouri. Ameren Missouri is not a party to the application, but its involvement in this case is needed for a full and fair adjudication. Therefore, Ameren Missouri will be made a party and will be directed to respond to the request.

THE COMMISSION ORDERS THAT:

1. Grove Lofts STL, LLC, is made a party to this case.
2. Union Electric Company, d/b/a Ameren Missouri, is made a party to this case.
3. Grove Lofts STL, LLC, and Checkmate Design, LLC, shall clarify the role of Checkmate Design, LLC, no later than January 15, 2021.
4. Union Electric Company, d/b/a Ameren Missouri, shall file a response to the request for a variance, no later than January 19, 2021.
5. This order is effective when issued.
