**Title 4 – DEPARTMENT OF ECONOMIC DEVELOPMENT  
Division 240 – Public Service Commission  
Chapter 121 – Pre-Owned Manufactured Homes**

**ORDER OF RULEMAKING**

By the authority vested in the Public Service Commission under section 700.040, RSMo 2016, the commission withdraws a proposed amendment as follows:

**4 CSR 240-121.030 Seals is withdrawn.**

A notice of proposed rulemaking containing the proposed amendment was published in the *Missouri Register* on August 15, 2017 (42 MoReg 1162). This proposed amendment is withdrawn.

**SUMMARY OF COMMENTS:** The public comment period ended September 15, 2017, and the commission held a public hearing on the proposed amendment on September 22, 2017. The commission received timely written comments regarding the entire package of rule amendments filed simultaneously from seven manufactured housing industry representatives including: Thomas Hagar, Executive Director, Missouri Manufactured Housing Association (MMHA); Bryan Crump, Cedar Creek Homes; Daniel Ferrell, MMHA; Timothy L. DeVine, Your Home Center L.L.C.; Jamie Smith, Managing Partner/General Manager, Clayton Homes of Lebanon, and Vice-President-Board of Directors of MMHA; Tony Taylor, Gifford Homes, Inc.; and the MMHA. The commission also received timely written comments from the Staff of the Missouri Public Service Commission (staff). At the public hearing testimony was received from five commenters: Mark Johnson, Staff Counsel representing staff; Rich AuBuchon, an attorney representing MMHA; Bryan Crump; Jamie Smith; and Tom Hagar. In addition, staff offered the written comment of Missouri Senator Sandy Crawford which was received after the comment period closed but prior to the hearing. The industry representatives and Senator Crawford opposed many of the proposed amendments on the grounds that they would be burdensome on the manufactured housing industry. In written comments, staff explained the reason for the original proposed amendments and generally supported those amendments with changes. However, at hearing, staff proposed rescinding the entire chapter of rules rather than amending.

**COMMENT #1:** Mr. Hagar made a general written comment regarding the amendments proposed to the entire package of manufactured housing rules. He expressed concern that the date set for the hearing did not allow the MMHA members sufficient time to review and prepare comments on the rule amendments. Mr. Hagar requested the hearing be delayed.

RESPONSE: The date for the hearing had already been published in the *Missouri Register* when the comment was received, and could not be postponed. Members of the MMHA participated in the hearing and filed written comments.

COMMENT #2: Mr. AuBuchon commented at the hearing on behalf of the MMHA. Mr. Crump and Mr. Smith commented at the hearing that they agreed with Mr. AuBuchon's comments. Mr. AuBuchon gave general comments about and a history of the rulemaking process for all the manufactured housing rules that are being simultaneously promulgated with this rule. Mr. AuBuchon also made suggestions about how the commission could have communicated better with the industry.

RESPONSE: The comments of the manufactured housing industry representatives are appreciated by the commission. However, because the process was completed in accordance with the statutory requirements and the comments were general in nature, no changes to the rules were made as a result of these general comments. The comments specific to other manufactured housing rules are addressed in the context of those rules.

COMMENT #3: Staff and the industry representatives testified at the hearing that 4 CSR 240-121 was a potentially unnecessary chapter of regulations because it pertained to pre-owned manufactured homes, which cannot practically be brought up to code by the manufactured housing industry. Therefore, staff and the industry representative recommended that this chapter of rules be rescinded.

RESPONSE AND EXPLANATION OF CHANGE: The commission agrees with staff and the industry representatives. However, because this chapter cannot be rescinded without going through the proper statutory and administrative processes, the commission will withdraw these proposed amendments and begin a new rulemaking to consider the rescission of this chapter of regulations.
