ORDER DIRECTING STATUS REPORT

Issue Date: August 18, 2021

Effective Date: August 18, 2021

On April 15, 2021,¹ Evergy Metro, Inc. filed its 2021 Renewable Energy Standard Compliance Plan. On June 22, the Staff of the Missouri Public Service Commission (Staff) filed its report indicating that Evergy Metro had met the statutory and rule requirements. In response to Staff's report, Evergy Metro filed a revised Compliance Plan on July 7.

On June 1, and again on July 7, the Office of the Public Counsel (OPC) made several recommendations that the Commission order certain more detailed information. On August 2, Evergy Metro responded to OPC's filing at the Commission's direction.

On August 16, the OPC further responded that it seeks additional time for discovery to better understand Evergy Metro's position and to possibly resolve any disagreement. The OPC offered to file a status report in sixty days. The Commission finds that the request for additional time is reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. The OPC shall file a status report on or before October 18, 2021.
2. This order shall be effective when issued.

¹ All dates herein refer to 2021.
