On April 15, 2021,¹ Evergy Missouri West, Inc. filed its 2021 Renewable Energy Standard Compliance Plan (Compliance Plan).

On June 1, the Office of the Public Counsel (OPC) filed a motion requesting the Commission order more detailed information from Evergy Missouri West regarding certain items. The Commission is uncertain whether the OPC's June 1 motion still stands or if the OPC received the information it sought, and will direct the OPC to respond with a status report. The Commission will also direct Evergy Missouri West to respond to Staff's report and memorandum.

THE COMMISSION ORDERS THAT:

1. No later than July 7, the OPC shall respond as to the status of its June 1 motion.

¹ All dates herein refer to 2021.
