**ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE
AND DIRECTING STAFF RECOMMENDATION**

Issue Date: July 30, 2021

Effective Date: July 30, 2021

On July 30, 2021, Evergy Missouri Metro, Inc. (Evergy Metro) submitted direct testimony and a tariff designed to implement an adjustment to its Fuel and Purchased Power Adjustment Clause (FAC) in File No. ER-2022-0025. This FAC tariff filing includes costs from January through June of 2021. This filing consists of actual fuel and purchased power costs, net of off-system sales revenues incurred by the Company, less an adjustment for credits incurred as a result of the mid-February 2021 cold weather event known as Winter Storm Uri.¹ The proposed FAC tariff bears an effective date of October 1, 2021.

¹ Evergy Metro filed its request for an accounting authority order in File No. EU-2021-0283, seeking to defer costs and revenues resulting from Winter Storm Uri.

Evergy Metro also submitted an application in File Number EO-2022-0024 containing its true-up filing for its FAC.

Under Commission Rule 20 CSR 4240-20.090(4), the Commission's Staff shall submit a recommendation regarding the proposed adjustment no later than 30 days after its filing. No later than 60 days after receiving the proposed adjustment, the Commission must: (1) enter an interim rate adjustment; (2) approve or reject the tariff as submitted; or (3) allow the tariff to go into effect by operation of law. Consequently, the Commission shall issue notice, set an intervention deadline, and direct its Staff to file a recommendation.

Commission Rule 20 CSR 4240-3.161(10) provides that parties to the rate case in which the Commission approved Evergy Metro's fuel adjustment clause are automatically parties to this tariff case, without the necessity of having to apply for intervention. Therefore, the Commission acknowledges that the parties to File No. ER-2018-0145 (the file in which Evergy Metro's² FAC was most recently re-approved) are parties to this case, and will direct its Data Center to add those parties to the service list.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall provide a copy of this order to the parties to File No. ER-2018-0145.
2. The Commission's Data Center shall add all parties to File No. ER-2018-0145 to the service list for this case.
3. Any person or entity wishing to intervene shall file an application to intervene no later than August 16, 2021.

² Then known as Kansas City Power and Light Company.

4. The Staff of the Missouri Public Service Commission shall file a recommendation regarding its examination and analysis of Evergy Metro's application and tariff no later than August 27, 2021.

5. The Commission's Data Center shall serve a copy of this order upon the county commission of each county in the service territory of Evergy Metro.

6. The Commission's Public Policy and Outreach Department shall make notice of this order available to the members of the Missouri General Assembly representing the residents of the service area of Evergy Metro and to the news media serving the residents of the service territory of Evergy Metro.

7. This order is effective when issued.
