ORDER OF RULEMAKING

RECEIVED  
SECRETARY OF STATE  
ADMINISTRATIVE RULES

By the authority vested in the Missouri Public Service Commission under section 386.410, RSMo 2000, the commission amends a rule as follows:

**4 CSR 240-2.010 is amended.**

A notice of proposed rulemaking containing the text of the proposed amendments was published in the *Missouri Register* on April 15, 2011 (36 MoReg 1039). Those sections with changes are reprinted here. These proposed amendments become effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing on the proposed amendments was held May 19, 2011, and the public comment period ended May 16, 2011. One (1) written comment was received and no one testified with regard to this rule at the hearing.

COMMENT: Lewis Mills, on behalf of the Office of the Public Counsel, commented that the commission's administrative structure should provide for administration of staff counsel independent of the general counsel. He also stated that although section (21) refers to the "advocacy functions" of the staff counsel's office and the representation of "the staff," the rule does not define "staff" nor does it define the purpose of the advocacy function.

RESPONSE AND EXPLANATION OF CHANGE: In order to separate the attorneys representing the commission staff from the commission for purposes of avoiding *ex parte* contacts on substantive matters before the commission, the office of the staff counsel was created by the commission. In addition, the commission amended this rule to provide that separation formally. The commission determined in that reorganization that its general counsel should be responsible for the administrative functions of the staff counsel's office. Because this was an administrative function of the commission, the organizational structure and job duties of the commission staff do not need to be set out as a rule and the commission declines to do so any further than is needed for informational purposes. Further, "commission staff" is defined in section (5) and the "advocacy functions" mentioned in section (21) are generally defined as the representation of staff in proceedings before the commission. For consistency, however, the commission will change "staff of the commission" to "commission staff" in section (21).

**4 CSR 240-2.010 Definitions**

(21) Staff counsel means any attorney employed to represent the commission staff in proceedings before the commission. For administrative purposes only, the staff counsel's office is considered part of the general counsel's office and the chief staff counsel reports to the general

counsel. However, the staff counsel's office performs its advocacy functions independently, under the direction of the chief staff counsel in consultation with the executive director and the directors of the operations and utility services divisions.
