

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of a Proposed Experimental Regulatory)
Plan of Kansas City Power & Light Company) **Case No. EO-2005-0329**

ORDER RECONVENING HEARING

Issue Date: July 6, 2005

Effective Date: July 6, 2005

On March 28, 2005, Kansas City Power & Light Company and other parties filed a Stipulation and Agreement. That agreement involved KCPL's proposed experimental regulatory plan for, among other things, building Unit 2.

The hearing was set for June 23-24. The hearing was held those days, as well as June 27. Because of scheduling conflicts, the Commission could not finish its cross-examination of Staff.

The Commission will reconvene the hearing on July 12, beginning at 1:00 p.m., solely to question Staff on its opinion of KCPL's load and forecasted load growth, as well as the need for additional generating capacity necessary to meet that forecasted load. Such questioning will include inquiry regarding the nature of the desired generating capacity (baseload v. peak), the desirability of a particular fuel source, KCPL's resulting fuel portfolio, and the relevance of KCPL's ongoing ability to continue to participate in the market for off-system sales.

IT IS THEREFORE ORDERED:

1. That the evidentiary hearing will reconvene on July 12, 2005, at 1:00 p.m., in Room 310 of the Commission's offices at the Governor Office Building, 200 Madison Street, Jefferson City, Missouri. This hearing will be held in a building that meets accessibility standards required by the Americans with Disabilities Act. If you need additional accommodations to participate in the hearing, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing.

2. That this order shall become effective on July 6, 2005.
