ORDER ESTABLISHING TIME IN WHICH TO RESPOND TO MOTION
TO CONTINUE MEETINGS

Issue Date: January 17, 2006

Effective Date: January 17, 2006

On January 17, 2006, Sierra Club, Missouri Coalition for the Environment, Missouri Nuclear Weapons Education Fund, operating as Mid-Missouri Peaceworks, and ACORN filed a joint motion asking the Commission to continue meetings that AmerenUE has scheduled to explain its Integrated Resource Plan. The first meeting was held on January 11, and further meetings are set for January 20 and 27, and February 1. The movants ask the Commission to order that the meetings be delayed until after the Commission rules upon their motion challenging AmerenUE's designation of the entire Integrated Resource Plan as highly confidential.

Commission rule 4 CSR 240-2.080(15) provides that parties are allowed not more than ten days to respond to a motion unless otherwise ordered by the Commission. Given that two of the challenged meetings are scheduled to take place within the ten days otherwise allowed for the filing of responses to the motion, the Commission will shorten the time allowed for the filing of a response.

IT IS THEREFORE ORDERED:

1. That any party that wants to respond to the Motion to Continue Meetings filed by Sierra Club, Missouri Coalition for the Environment, Mid-Missouri Peaceworks, and ACORN is directed to do so no later than January 19, 2006.
2. That this order shall become effective on January 17, 2006.
