**NOTICE CLOSING CASE**

Issue Date: September 5, 2006

On April 27, 2006, the Missouri Public Service Commission issued its Order Approving Application for Extension of Time to Comply with Provisions of Stipulation and Agreement Concerning Installation of Wind Measuring Equipment. On July 31, 2006 Kansas City Power & Light Company filed a Status Report.

In its report, KCPL informs the Commission that it has completed the installation of wind-measuring equipment as directed by the Commission. KCPL adds that it "will submit a report to the Commission on or before September 30, 2007 for the initial 12 month test period of August 2006 through July 2007."

Other than the September 30 report, there remains no further action in this matter. Therefore, this case may be closed. KCPL, if necessary for purposes of tracking the report, may file the report in this case.
