### **ORDER CANCELING CERTIFICATE AND TARIFF**

Issue Date: December 5, 2008

Effective Date: December 15, 2008

On November 12, 2008, VCI Company filed a request asking the Commission to cancel that company's certificate of service authority and local exchange services tariff. The Commission granted VCI a certificate of service authority to provide basic local service on March 31, 2006, and the company subsequently filed an implementing tariff. VCI has not initiated service in Missouri and will not do so in the future. For that reason, it asks the Commission to cancel its certificate and tariff.

The Commission's Staff reviewed VCI's request, and on December 5, 2008, filed a recommendation advising the Commission to cancel VCI's certificate and tariff. Staff indicates this action will not be detrimental to the public interest because VCI has no Missouri customers.

#### **THE COMMISSION ORDERS THAT:**

3. This order shall become effective on December 15, 2008.

4. This case shall be closed on December 16, 2008.
