**MOTION TO LATE FILE STATUS REPORT AND
STAFF STATUS REPORT**

COMES NOW the Staff of the Missouri Public Service Commission and for its Motion and Status Report, states as follows:

1. On September 20, 2012, Broadband Dynamics, LLC (“the Company”) filed an application with the Missouri Public Service Commission seeking Certificate of Authority to Provide Basic Local Telecommunications Services in Portions of the State of Missouri and to Classify Such Services and the Company as Competitive.

2. On September 21, 2012, the Commission issued its Order requiring the Staff to file a Status Report on this matter on or before October 11, 2012. Due to illness of the Staff’s Counsel, the Staff failed to timely file the Status Report and asks that the Commission accept this late-filed Report.

3. As of this date, the Staff has not received all of the requisite materials to process the application, in that it lacks certain financial information about the Company. Once that documentation is received, the Staff expects to file its recommendation forthwith.

WHEREFORE, the Staff submits its late-filed Status Report and moves that the Commission accept it out-of-time.

Respectfully submitted,

Colleen M. Dale
