ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under sections 392.200.2, 392.248, and 392.470.1 RSMo 2016, the commission adopts a rule as follows:

4 CSR 240-31.011 Missouri USF Administration is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on May 15, 2018 (43 MoReg 996). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the Code of State Regulations.

SUMMARY OF COMMENTS: The public comment period ended July 2, 2018, and the commission held a public hearing on the proposed rule on July 9, 2018. The commission received timely written comments from AT&T, Missouri Cable Telecommunications Association (MCTA), CenturyLink, Windstream Missouri, Verizon, the Small Telephone Company Group and Missouri Independent Telephone Company Group (STCG), the Missouri Telecommunications Industry Association (MTIA), and the staff of the commission. Whitney Payne, representing the commission's staff; Richard Telthorst, on behalf of MTIA; Brian McCartney, representing STCG; and Craig Johnson representing Chariton Valley Communications, appeared at the hearing and offered comments.

COMMENT #1: STCG expressed concern that the proposed rule eliminates the detailed rules regarding operation of the Missouri USF Board that are currently described in commission rule 31.020, which will be rescinded. STCG believes the Commission is required to file such detailed rules by section 392.248.1, RSMo, which requires the commission to "adopt rules governing ... the operation of the universal service board.

RESPONSE: The commission believes the new rule adequately describes the administration of the Missouri Universal Service Fund and will make no changes to the rule in response to STCG's comment.
