On June 12, 2020, the Commission issued its Order Setting Online Hearing. The order also required all parties who wished to receive a telephone participation invitation, to so advise the Commission no later than June 19, 2020, for themselves and their witnesses.

The Commission gives notice that the order requires email addresses and phone numbers to be provided only to the Commission’s support staff. It does not require that information to be filed in EFIS. The provided information will not be made public.
