**ORDER PROVIDING FOR CORRECTION TO
ADMITTED AND FILED EXHIBITS**

Issue Date: October 2, 2020

Effective Date: October 2, 2020

On September 24, 2020, the Commission conducted an evidentiary hearing in Barbara Edwards' complaint against Evergy Missouri West, Inc. d/b/a Evergy Missouri West (Evergy West). On September 28, 2020, the Commission issued an order concerning post-hearing briefs and the filing of new exhibits, which were not identified and disclosed before the hearing.

Consistent with the Commission's August 6, 2020 procedural order, the parties on September 22, 2020, filed copies of all proposed exhibits. The pre-hearing disclosure enabled the parties and the presiding officer to review the proposed exhibits while maintaining physical distance during the hearing to avoid the transmission of COVID-19. In addition, during the September 24 hearing, the parties agreed that two additional exhibits should be admitted to the record: Complainant's Exhibit No. 14 and Evergy West's Exhibit No. 104. Complainant's Exhibit No. 14 was admitted by reference to the

previous filings in this case, and a paper copy of Evergy West’s Exhibit No. 104 was provided to the presiding officer for filing.

Including the addition of Exhibits No. 14 and 104, the exhibits identified in the September 22, 2020 filing and admitted to the record during the hearing are as follows:

Party	Exhibit No.	Confidential
Complainant	5	No
Complainant	7	No
Complainant	8	No
Complainant	9	No
Complainant	10	No
Complainant	11	No
Complainant	14	Yes
Evergy West	101	No
Evergy West	102	No
Evergy West	104	No
Staff	201	Yes

Adjudication staff marked each exhibit, and on October 2, 2020, the Commission’s data center filed each of the exhibits specified above in the Commission’s electronic filing and information system (EFIS). The Commission will now direct the parties to submit any corrections to the filed exhibits identified above by no later than October 23, 2020. This process is intended to verify that the correct documents were correctly marked and filed in EFIS. This process will not include additional substantive argument about the case.

THE COMMISSION ORDERS THAT:

1. Any statement proposing corrections to the filed exhibits identified above shall be filed no later than October 23, 2020. Complainant may make such filing online through EFIS or by mail to:
