OF THE STATE OF MISSOURI**

In the Matter of the Application of Union)	
Electric Company for Confidential)	
Treatment of Certain Reports Filed with)	Case No. EE-2001-606
the Missouri Public Service Commission.)	

**WITHDRAWAL REQUEST OF UNION ELECTRIC
COMPANY FOR CONFIDENTIAL TREATMENT
OF CERTAIN DATA CONTAINED IN ITS 2000 FERC FORM
NO. 1: ANNUAL REPORT OF MAJOR ELECTRIC
UTILITIES, LICENSEES, AND OTHERS**

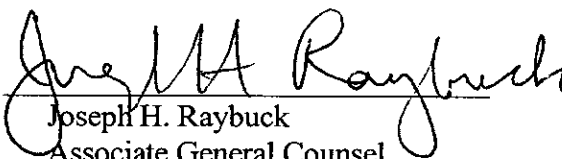

COMES NOW Union Electric Company (d/b/a AmerenUE), by counsel, and withdraws its Request for Confidential Treatment of Certain Data Contained in FERC Form No. 1: Annual Report of Major Electric Utilities, Licensees, and Others, and requests leave to dismiss such Request. AmerenUE recently discovered that it had inadvertently submitted the Form 1 information to the FERC so as to be publicly available. AmerenUE had intended to submit the information to FERC electronically on a confidential basis, but by mistake did not do so. AmerenUE also had submitted the confidential information to the FERC in hard copy, apparently in a way which was proper in keeping the hard copy version confidential. However, the electronic version is available to the public. Accordingly, since the information is now available to the public this Application is now moot.

By order dated June 4, 2002, the Commission directed the Company to file a response by July 5. Due to other work-related commitments, the undersigned was not able to do so on a timely basis. Consequently, this Withdrawal Request is being filed on a late basis, and the Company requests that the Commission accept it on such basis.

WHEREFORE, AmerenUE requests that the Commission dismiss this matter.

Respectfully submitted,

UNION ELECTRIC COMPANY
