1. On February 19, 2013, the Commission issued its *Order Setting Dates For Filings And Directing Notice* and directed Staff to file, in consultation with any person who has made a filing in this action, proposed dates for a conference to develop a proposed procedural schedule in this action.

2. Staff has consulted with Kansas City Power & Light Company, the Office of the Public Counsel, Midwest Energy Consumers Group, Midwest Energy Users' Association and Missouri Department of Natural Resources and proposes March 20, 2013, for the Commission to convene a prehearing conference in this matter.
