ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: June 28, 2013

Effective Date: June 28, 2013

On May 28, 2013, Kansas City Power & Light Company ("KCP&L") filed its 2013 Annual Renewable Energy Standard Compliance Plan and Report pursuant to Commission Rule 4 CSR 240-20.100. On June 17, Brightergy, LLC filed an application to intervene.

Brightergy pleads that it designs and installs commercial and residential facilities to generate and utilize solar energy. As such, it has an interest different from that of the general public that may be adversely affected by a final order in this file.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party objected to the application. Therefore, the Commission will take it up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that Brightergy meets the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene filed by Brightergy, LLC is granted.
2. This order shall become effective upon issuance.
