**ORDER SETTING PREHEARING CONFERENCE**

Issue Date: August 25, 2014

Effective Date: August 25, 2014

On April 10, 2014, KCP&L Greater Missouri Operations Company (“GMO”) submitted an application and tariff designed to establish a renewable energy standard rate adjustment mechanism pursuant to Section 393.1030, RSMo Supp. 2013, and Commission Rule 4 CSR 240-20.100(6). The Commission’s Staff filed its recommendation regarding the application, and the Office of the Public Counsel and Earth Island Institute d/b/a Renew Missouri submitted comments. On August 22, 2014, GMO filed its reply disagreeing with certain recommendations and comments and requesting a hearing.

The Commission finds that a prehearing conference is now appropriate. The parties or their representatives shall appear in person, or by telephone, at the conference. Parties wishing to appear by telephone will be provided with a telephone conference number. At the conference, parties should be prepared to discuss the correct time period for the Commission to conduct a hearing and issue a report and order under Commission Rule 4 CSR 240-20.100(6)(C)1, whether any material facts are in dispute, and whether an evidentiary hearing or oral arguments and/or briefs are appropriate. The parties should be prepared to discuss the elements of a joint procedural schedule, including the dates for an evidentiary hearing or oral arguments and post-hearing briefs. The parties will also be encouraged to discuss settlement.
