ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: April 22, 2014

Effective Date: April 22, 2014

On March 20, 2014, Kansas City Power & Light Company (“KCP&L”) and KCP&L Greater Missouri Operations Company (“GMO”) filed the above-referenced Integrated Resource Plan annual updates. On April 9, the Sierra Club (“Sierra Club”) filed an application to intervene in each file.

Sierra Club pleads that it exists to preserve and protect environmental values. It further pleads that such an interest is different from that of the general public.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party objected to the applications. Therefore, the Commission will take them up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed applications, the Commission finds that the applicants meet the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the applications to intervene.

THE COMMISSION ORDERS THAT:

1. The applications to intervene filed by The Sierra Club is granted.
2. This order shall become effective upon issuance.
