Company's Application for Approval of Modifications)	<u>File No. EO-2014-0355</u>
to Its Demand-Side Programs)	Tariff No. JE-2014-0537

ORDER AND NOTICE

Issue Date: June 12, 2014

Effective Date: June 12, 2014

On June 11, 2014¹, KCP&L Greater Missouri Operations Company ("GMO") asked the Commission to approve its residential lighting program. At the same time, GMO filed a tariff that has an effective date of July 11. But GMO asks that the tariff go into effect on July 6 to coincide with Kansas City Power & Light's ("KCP&L") similar residential lighting program.

GMO states that in File No. EO-2014-0095, the parties filed a stipulation that allows GMO to have the same residential lighting program as KCP&L. Thus, the Commission will notify the parties in File No. EO-2014-0095.

The Commission will order its Staff to file a Recommendation.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall notify the parties from File No. EO-2014-0095 of this file.
2. The Staff of the Commission shall file its recommendation no later than June 25, 2014.

¹ Calendar references are to 2014 unless otherwise noted.

3. This order shall become effective immediately upon issuance.
