ORDER DIRECTING STAFF TO INVESTIGATE

Issue Date: August 27, 2014

Effective Date: August 27, 2014

On June 16, 2014, the Commission's Staff filed a motion asking the Commission to order Staff to investigate the compliance of Kansas City Power & Light Company, KCP&L Greater Missouri Operations Company, and Union Electric Company, d/b/a Ameren Missouri with Commission Rule 4 CSR 240-20.100(4) regarding solar rebate payments to retail account holders. Staff explains that it has received several informal complaints and other correspondence from retail account holders and solar generation installers regarding 4 CSR 240-20.100(4)(K)'s 30-day requirement for solar rebate payment. Staff wants to investigate those questions in more detail.

The Commission will direct Staff to conduct the investigation it describes, and will order Staff to file a report regarding that investigation.

THE COMMISSION ORDERS THAT:

1. Staff shall investigate the compliance of Kansas City Power & Light Company, KCP&L Greater Missouri Operations Company, and Union Electric Company, d/b/a Ameren Missouri, with Commission Rule 4 CSR 240-20.100(4) regarding solar rebate payments to their retail account holders.

2. Staff shall file either its final report, or a status report regarding its investigation, no later than October 6, 2014.

3. This order shall become effective upon issuance.
