**File No. EO-2012-0008**

**ORDER GRANTION MOTION FOR EXTENSION OF TIME**

Issue Date: February 15, 2012

Effective Date: February 15, 2012

On February 6, 2012<sup>1</sup>, the Staff of the Commission filed a Motion for Commission Determinations on Variances. The Commission ordered Kansas City Power & Light ("KCP&L") to respond no later than February 15.

On February 14, KCP&L filed a Motion for Extension of Time. KCP&L points out that Staff filed a similar motion in Case No. EO-2012-0009, and that the Commission has ordered KCP&L Greater Missouri Operations Company ("GMO") to respond no later than February 17. Because the motions present similar issues, KCP&L requests that the Commission allow KCP&L until February 17 to respond to both motions.

The Commission finds the motion reasonable, and will grant it.

**THE COMMISSION ORDERS THAT:**

1. The Motion for Extension of Time filed by Kansas City Power & Light Company is granted.
