ORDER SCHEDULING A CONFERENCE

Issue Date: July 1, 2011

Effective Date: July 1, 2011

As it was required to do by Commission Rule 4 CSR 240-20.100(7)(B), Kansas City Power & Light Company (KCP&L) filed its Renewable Energy Standard Compliance Plan for 2011-2013 on April 15, 2011. The Commission's Staff filed a Report and Recommendation regarding KCP&L's plan on May 31. On the same date, Renew Missouri filed comments regarding that plan in which it contends KCP&L's plan is deficient in several respects. Subsequently, KCP&L responded to Renew Missouri's comments on June 10 and the Missouri Department of Natural Resources replied to KCP&L's response to Renew Missouri's comments on June 20.

The Commission's renewable energy standards rule, 4 CSR 240-20.100, does not explain what the Commission is to do when a commenter, in this case Renew Missouri, alleges that a plan is deficient, except to indicate the Commission is to establish a procedural schedule if necessary.¹

The Commission will schedule a prehearing conference to discuss how the Commission should proceed to consider KCP&L's RES Compliance Plan.

¹ 4 CSR 240-20.100(7)(F).
