ORDER ACKNOWLEDGING AUTOMATIC PARTIES

Issue Date: June 23, 2011 Effective Date: June 23, 2011

On June 9, 2011, the Commission's Staff filed a notice indicating it that started its prudence audit of KCP&L Greater Missouri Operations Company's ("GMO") fuel adjustment clause on June 1, 2011. The Commission provided notice of Staff's filing and established June 30, 2011 as the deadline for persons or entities to file applications to intervene.

Staff states, in its June 9, 2011 notice, that GMO's FAC was established in File Number ER-2007-0004. Commission Rule 4 CSR 240-3.161(10) provides that parties to the rate case in which the Commission established GMO's fuel adjustment clause are automatically parties to this prudence audit, without the necessity of having to apply for intervention. The Commission therefore acknowledges that the parties to ER-2007-0004 are parties to this case and are not required to file applications to intervene. The Commission will direct its Data Center to add those persons and entities to the service list.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall add all parties in File Number ER-2007-0004 to the certified service list for this file. In addition to providing electronic notice of this order through the Commission's Electronic Information and Filing System, the Data Center shall send a copy of this order to those parties by regular mail.

2. This order shall become effective immediately upon issuance.
