Issue Date: July 2, 2012

Effective Date: July 2, 2012

On June 6, 2012, during the evidentiary hearing, the Commission's Staff offered into evidence a document referenced as the "Monthly State of the Market Report, May 2009" ("SPP Monitoring Report") that was published June 22, 2009 and produced by SPP Market Monitoring Unit.¹ Staff offered a full copy of the SPP Monitoring Report as its Exhibit Number 11 and it was received into the record without objection.² At the time, Staff had only one copy of this document and it was agreed that if Staff filed it in the Commission's Electronic Filing and Information system ("EFIS") then the Commission, and all of the parties, would have a copy of the exhibit.³ The exhibit has not been filed in EFIS. The Commission will direct its Staff to file a full copy of Exhibit Number 11 in EFIS.
