**APPLICATION TO INTERVENE OF
THE MISSOURI INDUSTRIAL ENERGY CONSUMERS**

Comes now the Missouri Industrial Energy Consumers ("MIEC") and, pursuant to 4 C.S.R. 240-2.075 and the Commission's December 23, 2011 *Order Directing Notice and Establishing A Deadline for Filing Requests to Intervene* in this case, file their application to intervene. For their application, the MIEC states as follows:

1. The MIEC is a Missouri corporation representing large industrial electricity consumers.
2. As large industrial electricity consumers, the interests of the MIEC are different than that of the general public and may be adversely affected by a final order arising from this case.
3. The MIEC does not yet have a position on the issues in this case and reserve the right to take positions on specific issues as this case proceeds.
4. Intervention by the MIEC will serve the public interest by assisting the Commission's record for decision in this case.

WHEREFORE, the MIEC requests that it be permitted to intervene and be made a party to this case for all purposes.

Respectfully submitted,
