**ORDER GRANTING LEAVE TO LATE-FILE AFFIDAVIT**

Issue Date: May 1, 2012

Effective Date: May 1, 2012

On April 18, 2012, Sierra Club, Earth Island Institute, d/b/a Renew Missouri, and the Natural Resources Defense Council (collectively NRDC) filed a motion asking the Commission for leave to late-file the affidavit of their witness, Phillip Mosenthal. The movants filed Mr. Mosenthal's testimony on April 13, but his affidavit regarding that testimony was not ready to be filed at that time. The movants filed the affidavit along with their motion. More than ten days have passed since the movants filed their motion and no party has objected to that motion.

The motion to late-file affidavit is reasonable and the Commission will grant that motion.

**THE COMMISSION ORDERS THAT:**

1. The Motion of NRDC to Late-File Affidavit is granted.
2. This order shall become effective immediately upon issuance.
