Dear Mr. Vickers,

Per 4 CSR 240-2.090 (see attached copy), data requests may be used as a means of discovery in a formal case proceeding such as your formal complaint EC-2011-0326. In order for me to conduct a thorough investigation into the allegations made in your formal complaint against Ameren Missouri and the Missouri Public Service Commission, I will need additional information from you to understand your position in order to fairly access the allegations.

Please find attached a list of data request questions. You may submit your response(s) to any or all questions at anytime within the twenty (20) days after receipt as allowed per rule unless otherwise agreed to by me. If any question is not clear, please feel free to ask me for clarification. I look forward to your responses.

Sincerely,

Gay Fred
