**NOTICE CLOSING CASE**

Issue Date:     October 24, 2007

On December 28, 2006, Aquila Inc. filed with the Missouri Public Service Commission an application for permission and approval, and a certificate of public convenience and necessity for facilities located within Benton County, Missouri.

On January 4, 2007, Aquila filed its First Amended Application by Interlineation. On August 28, 2007, the Commission issued an Order Dismissing Application because the Commission had already granted Aquila the authority it needs to construct a substation. On September 6, 2007, Aquila filed a Request for Rehearing. The Commission denied Aquila's request by order dated September 25, 2007.

No further Commission action is necessary. Therefore, this case may be closed.
