ORDER APPROVING 2014 FINAL EMV AUDITOR REPORT

Issue Date: July 17, 2015

Effective Date: July 27, 2015

On June 5, 2015, Ameren Missouri filed an Application for Approval of Change Request seeking Commission approval of a correction to the Final EM&V report prepared by ADM Associates, Inc. and Cadmus, and filed by Ameren Missouri on May 15. Ameren Missouri sought to correct a portion of the report that contained a calculation error. After discussing the matter with the Commission’s Staff and with the Office of the Public Counsel, Ameren Missouri filed a corrected Final EMV report on June 23. Subsequently, Staff, Public Counsel, and Ameren Missouri filed pleadings indicating that the corrected report resolves all matters and asking the Commission to issue an order approving that corrected report. The Commission will do so.

THE COMMISSION ORDERS THAT:

1. The revised Final EMV Report filed by Ameren Missouri on June 23, 2015, is approved.
2. This order shall be effective on July 27, 2015.

3. This file shall be closed on July 28, 2015.
