ORDER GRANTING EXTENSION OF TIME

Issue Date: June 11, 2013

Effective Date: June 11, 2013

On April 15, 2013, Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri") filed with the Missouri Public Service Commission ("Commission") its Annual Renewable Energy Standard Compliance Report pursuant to Commission Rule 4 CSR 240-20.100. On May 30, 2013, the Missouri Department of Natural Resources ("MDNR") requested an extension of time until June 5, 2013 to file comments to Ameren Missouri's compliance report. MDNR states that it was not able to complete its comments prior to the May 30 deadline due to recently filed information and the press of other matters. Ten days have elapsed and no other party has opposed the requested extension of time. MDNR filed its comments on June 5, 2013. The Commission finds the request reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. The Missouri Department of Natural Resources' motion for an extension of time is granted.

2. This order shall become effective immediately upon issuance.
