## BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of Ameren Missouri's Submission ) File No. EO-2013-0503 of its 2013-2015 RES Compliance Plan )

## ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: June 24, 2013 Effective Date: June 24, 2013

On May 28, 2013, Ameren Missouri filed its 2013-2015 Annual Renewable Energy Standard Compliance Plan and Report pursuant to Commission Rule 4 CSR 240-20.100. On June 11, the Missouri Department of Natural Resources filed an application to intervene.

DNR pleads that as the state agency charged with monitoring the environment, and having an interest in encouraging renewable energy it has an interest in the final order in this file. Also for those reasons, it states that it has an interest different from that of the general public that may be adversely affected by a final order in this file.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party objected to the application. Therefore, the Commission will take it up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that DNR meets the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the application to intervene.
