

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Kansas City Power & Light Company)	
and KCP&L Greater Missouri Operations Company's)	<u>File No. EO-2014-0189</u>
Application for Approval of Cost Allocation Manual)	

ORDER

Issue Date: June 25, 2014

Effective Date: June 25, 2014

On December 16, 2013, Kansas City Power & Light Company ("KCP&L") and KCP&L Greater Missouri Operations Company ("GMO") filed the above-referenced application. Because the applicants filed this application as agreed upon in Files Nos. EA-2013-0098 and EO-2012-0367, the Commission added parties from those files to the service list for this file. That Order and Notice also allowed for an opportunity to intervene. But the Commission received no such applications.

The Commission intended to add the parties from File Nos. EA-2013-0098 and EO-2012-0367 to the service list to provide them with notice of the proceeding. The Commission did not intend to make them parties to this case.

Those parties should have been added to the subscriber list, which would give them notice of filings made in the case, but would not give them access to highly confidential information from the file. Instead, they were added to the certified list, which does give them access to highly confidential information. Since they are not parties to this case, the Commission will move the parties from File Nos. EA-2013-0098 and EO-2012-0367 from the certified service list to the subscriber service list.

THE COMMISSION ORDERS THAT:

1. The parties from Files Nos. EA-2013-0098 and EO-2012-0367 shall be moved from the certified service list to the subscriber service list.
2. This order shall become effective immediately.
