MOTION FOR A COMMENSURATE TWO DAY EXTENSION

COMES NOW the Office of the Public Counsel (OPC), by and through counsel, and for its Comments states as follows:

1. On July 18, 2018, the Staff of the Public Service Commission (Staff) requested a two day extension in the “EM&V Plan and Timeline” approved by the Public Service Commission (Commission) on February 10, 2016.

2. The extension was requested specifically to enable the Commission’s Auditor, Steve Grover, to file his final auditor’s report regarding Program Year 2017. The filing is projected to be late due to certain workpapers being delivered to the Staff three days late on July 16th, 2018, as opposed to July 13th.

3. The OPC does not object to this objection, and respects is necessity.

4. In consideration of the delay though, the OPC requests that a commensurate extension of two days be applied to the successive deadlines for when a change request may be requested and for when stakeholder group responses to a change request are due.

WHEREFORE, the OPC respectfully submits its motion.

Respectfully,

OFFICE OF THE PUBLIC COUNSEL
