Subject: Wednesday Meeting

Importance: High

On Wednesday, July 28th we will meet with Mike Fisher, who is the City Administrator for the City of Peculiar. Glenn Keefe and I will plan on meeting Chris at the City Hall at 11am. We can do our introductions and a brief discussion. We will hit lunch and then drive by the suggested site.

My goal for this meeting is to:

- 1) Make Contact
- 2) Review all of the bullet items: City Council, Mayor, City Administrator, School Superintendent, etc.
- 3) Discuss how the City can make this happen: education, discussion with surrounding land owners, etc.
- 4) Set up follow-up meetings to continue the process.
- 5) Determine the status of the land: is it available, can we have access to the land, etc.

Terry:

I am available the afternoon of the 23rd or anytime the 28th or 29th, which best fits your schedule. I indicated to Mark, we understand your loss of time with the Harrisonville site, and if selected, will do our best to help make up some of that time. Please just let me know the date, time and place.
