Mike:

I made some notes (see attached) for our meeting on Wednesday July 28, 2004. I will meet you at your office at 600 Schug at 11am along with:

- * Glenn Keefe - VP Operations-Missouri
- * Chris Rogers - VP SEGA Engineering

> > <<Peculiar Meeting July 28, 2004>>

We will try not to take much of your time. We would like to:

- * Meet you and briefly discuss the project.
- * Go to an early lunch (discuss the various details).
- * Make a general visit of the site.
- * Determine action items as necessary.

Aquila appreciates the research and work that you have put into this project to date. The proposed site and associated infrastructure are all positive. The desire of Peculiar to work "with" Aquila on the project is outstanding.

Thanks,
Terry Hedrick
