Case No. EA-2003-0370

SUPPLEMENT TO APPLICATION

COMES NOW Aquila, Inc. d/b/a Aquila Networks - MPS and Aquila Networks - L&P
("Aquila" or "Company"), and supplements its Application by stating to the Missouri Public Service
Commission ("Commission") as follows:

1. As a matter of clarification, the City of Belton is listed in paragraph 8 of the
Application because it has sewer and water lines that will be crossed by the proposed transmission
line. Aquila does not believe that there is any franchise of approval required from Belton or any
other governmental body.

WHEREFORE, Aquila respectfully requests that the Commission issue its order:

(A) Granting Aquila a certificate of convenience and necessity authorizing it to construct,
install, own, operate, control, manage and maintain an electric transmission line in a portion of the
territory served by Kansas City Power & Light Company in Cass County, Missouri, as described
above; and,

(B) Granting such further relief as the Commission deems appropriate.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'D. Cooper', written over a horizontal line.
