ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: May 6, 2014

Effective Date: May 6, 2014

On March 20, 2014, Kansas City Power & Light Company (“KCP&L”) and KCP&L Greater Missouri Operations Company (“GMO”) filed the above-referenced Integrated Resource Plan annual updates. On April 22, the Missouri Solar Energy Industries Association applied to intervene in these files.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party objected to the application. Therefore, the Commission will take it up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that the applicant meets the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene filed by the Missouri Solar Energy Industries Association is granted.
2. This order shall become effective upon issuance.

Ronald D. Pridgin, Deputy Chief Regulatory
Law Judge, by delegation of authority
pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
