**RE: Charter Acquisition of Missouri Cable Systems Owned by US Cable of Coastal Texas, L.P.**

Dear Mr. Reed:

We are pleased to advise you that on September 1, 2011, Charter Communications Entertainment I, LLC ("Charter") successfully closed on the acquisition of cable systems in the State of Missouri that are owned and operated by US Cable of Coastal Texas, L.P ("US Cable"). Pursuant to Chapter 67, RSMo §67.2701, this letter shall serve as notice to the Missouri Public Service Commission ("Commission") of the completion of the transfer. A copy of this letter is also being sent to all franchise entities involved with this transaction.

Please note that Charter Communications Entertainment I, LLC was granted authority by the Commission on August 9, 2011 to provide video service in political subdivisions where US Cable's video plant is located. In order to enhance the customer experience as we begin the conversion of our operations into these subdivisions, we have entered into a transition service agreement with US Cable for a period not to exceed six (6) months.

If you have any additional questions, please do not hesitate to contact me at 314-543-6640 or
