Jefferson City, Missouri 65102)
Respondent)

Case No: WO-2005-0286

Date: March 10, 2005

APPLICATION TO INTERVENE

1. The applicant is a resident of, and supplied water by, the City of Kirkwood, Missouri for this and the previous eighteen years.
2. The applicant opposes the relief sought by Missouri American Water in the above case.
3. The applicant, has read the CH2Mhill report ordered by the City of Kirkwood, and holds from the City Clerk all contracts before the Commission. He has attended applicable City Council meetings and has studied the details of the matters before the commission.
4. The applicant has a presentation that speaks directly to the lack of merit of the matter before the Commission. The presentation serves the public interest of all Kirkwood water customers. The presentation is approximately ten minutes.
5. Permission to intervene in the above named case is very respectfully requested.
