**MOTION FOR EXTENSION OF TIME
TO SUBMIT REPORT ON INVESTIGATION**

COMES NOW the Staff of the Missouri Public Service Commission and, for its Motion for Extension of Time to Submit Report on Investigation, states to the Missouri Public Service Commission as follows:

On November 29, 2006, the Commission ordered the Staff to investigate and report on the impact a Commission order approving the transfer of the assets of Central Jefferson County Utilities, Inc. to the Jefferson County Public Sewer District could have on the Commission's ability to seek penalties against Central Jefferson for violation of any Commission rule, statute or Company tariff provision.

Due to the press of other business, the Staff has not been able to complete its investigation and research and the preparation of a report as ordered by the Commission. The Staff therefore requests a two-day extension of the deadline for filing the required report, so that the report would be due by no later than December 13, 2006.

Rule 4 CSR 240-2.050 (3) authorizes the Commission, at its discretion, to extend the time by which act must be done. No party will be harmed if the requested two-day extension is granted.

WHEREFORE, the Staff respectfully moves the Commission for an order granting the Staff a two-day extension of the time by which it must submit its report on the impact that a Commission order approving the transfer of the assets of Central Jefferson could have on the Commission's ability to seek penalties against Central Jefferson.

Respectfully submitted,

/s/ Keith R. Krueger
