Regulatory Changes in Furtherance of Energy) Tariff No. YE-2022-0074

ORDER SETTING TIME FOR RESPONSES

Issue Date: October 14, 2021

Effective Date: October 14, 2021

On October 13, 2021, Union Electric Company d/b/a Ameren Missouri, Staff of the Commission, and the Office of the Public Counsel (collectively referred to as "Signatories")¹ filed a *Non-Unanimous Stipulation and Agreement Regarding the Implementation [of] Certain MEEIA Programs Through Plan Year 2023 and Motion for Expedited Treatment*. Ameren Missouri also filed a tariff sheet designed to implement the provisions of the agreement. Although the tariff sheet has a November 12, 2021 effective date,² the Signatories indicated that an earlier approval would provide additional certainty in planning for the new program year.

Commission Rule 20 CSR 4240-2.115(2) provides that parties that are not signatories to a nonunanimous stipulation and agreement have seven days in which to object to that agreement. If no party files a timely objection to a nonunanimous stipulation and agreement, the Commission may treat it as a unanimous stipulation and agreement. Thus, the Commission will set out the time for responses or objections below. In addition,

¹ The agreement also indicates that Renew Missouri Advocates d/b/a Renew Missouri has indicated that it does not oppose the agreement.

² The agreement at page 18 and the cover letter for the tariff both incorrectly indicate that the tariff effective date is November 11, 2021; however, the tariff, Tariff No. YE-2022-0074, was filed with a required 30-day effective date of November 12, 2021.

the Commission will shorten the time for any objections or responses to the proposed tariff sheet.

THE COMMISSION ORDERS THAT:

1. Any responses or objections to the *Non-Unanimous Stipulation and Agreement Regarding the Implementation [of] Certain MEEIA Programs Through Plan Year 2023 and Motion for Expedited Treatment* and the accompanying tariff sheet, Tariff No. YE-2022-0074, filed on October 13, 2021, shall be filed no later than October 20, 2021.
2. This order is effective when issued.
