The Missouri Division of Energy ("DE") filed applications to intervene¹ ("motions") and the Commission received no response within the time set by order.² The motions are subject to the following standard.

The commission may grant a motion to intervene or add new member(s) if—

(A) The proposed intervenor or new member(s) has an interest which is different from that of the general public and which may be adversely affected by a final order arising from the case; or

(B) Granting the proposed intervention would serve the public interest.
